Join us to experience and see cutting edge research, attend a poster session, participate in lab meetings, and meet faculty and current students. If you have been thinking about a PhD, learn about the different types of groundbreaking work you could get involved in. If you thought a PhD was not for you, discover why it might be and get a glimpse of the many exciting career opportunities it would open up.

Interested in attending?

When: Friday, October 2, 2015
Time: 10:30 am—4:00 pm
Presentations will begin at 11:00
Where: Washington University in St. Louis
1 Brookings Dr., St. Louis, MO 63130
