Washington University CSE Department Annual Ph.D. Progress Report

Name:                                               Advisor:                                      Date:

Assessment Period:                                Semester you entered program:

Student, please answer the following questions as they relate to the current assessment period. Use extra paper if needed.

1. Which courses, excluding CSE 699 and research seminars, did you take, and what grades did you get?

2. Did you speak in the Doctoral Student Research Seminar? If so, what was your topic? If not, why not?

3. Please enter the dates associated with past or anticipated completion of milestones in the following table. In reviewing your goals for this past year, how did your accomplishments measure up to your planned goals?

<table>
<thead>
<tr>
<th></th>
<th></th>

</tbody>
</table>

4. If you were involved in a research project, briefly describe your role and contributions to the project. If you didn't have a research advisor in this period, describe your efforts to select a research area and advisor.

5. List any papers/reports you wrote, submitted and/or published during this period. Describe where the paper was submitted or published.

6. Describe any professional activities you participated in, such as refereeing, attending conferences, or giving external talks.

7. Please describe any circumstances that you feel have impeded your progress this year.

8. Other issues you would like to address:

Advisor, please evaluate the student’s progress by checking the appropriate box below. If progress is “fair” or below, please attach comments on any concerns you may have about the student’s progress.

☐ Excellent  ☐ Good  ☐ Fair  ☐ Marginal  ☐ Unsatisfactory
