Master's Program Declaration Form

For BS/MS or Dual Degree Students

Please list all graduate level (400 or 500 level) courses that you plan to use for each degree. You may include previously completed courses, courses in progress, or courses you plan to take in the future. Please note that including a course on this list does not guarantee that it can be counted toward your program. Please check with your adviser or individual departments for approvals. You may check your WuAchieve audit at any time to ensure your program is correct.

Shared Courses– Please list any courses you expect to count toward both degrees.

BS/MS and Dual Degree 3-3 students may count up to 6 units toward the requirements of both degrees. In order to complete both undergraduate and graduate degrees, students must have a total of 150 earned units. Students completing two Master's degrees within SEAS may share up to 15 units between both degrees.
